

TENNESSEE BOARD OF PHARMACY

APPLICATION FOR PHARMACIST EXAMINATION

Prior to being admitted to the NAPLEX® examination, applicants for licensure as a pharmacist must meet all preliminary requirements. All required documentation must be filed with the Board in accordance with the rules and regulations.

Applicants must be at least 21 years of age, and be a graduate of an accredited college of pharmacy. The Tennessee Board of Pharmacy interprets the term “graduated” to mean that the student has completed the actual graduation process and has received a diploma.

Applicants must submit affidavits attesting to internship hours acquired in Tennessee with the application. Internship hours acquired in states other than Tennessee must be certified by the respective state board of pharmacy. A minimum of 1,500 (fifteen hundred) internship hours are required for licensure. If otherwise qualified, applicants may be allowed to take the examination without the required internship hours; however, hours must be completed before a license can be issued.
